March 2021

Dear Stuart

I am writing a general letter to all the children who sent letters and pictures that we were able to send out to elderly clients. Please would you share this message at assembly or similar!

Dear Children

You may remember a few months ago writing letters and drawing pictures for elderly people in Tenterden and the surrounding villages. I wanted you to know that all the letters, pictures and posters were shared and everyone was delighted to receive them.

The Carers who work at The Care Company have put all your posters up in their office windows and they look fabulous. They make us all smile so thank you.

Sadly, not all the elderly people are able to write a thank you themselves. You will see only one or two of you have replies. Please know that every one who wrote made a difference to the person who got the picture or letter. Our Carers shared them by reading them out and sticking them up as the clients wanted. What a wonderfully kind thing to do. The Carers really liked reading the letters out and talking about the pictures with the elderly people they visit too.

We all hope you are back at school and enjoying being with your friends again. We know some of you have been there all the time anyway but you will have missed your friends, so you will be glad they are all back.

We wish you every happiness and want ourselves to say a big thank you to all the staff at your school who stayed open so our Carers could keep coming to work looking after the elderly. We couldn't have done that without their commitment.

Many thanks
Ann Morgan
